## INSURANCE AGENCY

Lawton Insurance values the health and safety of our customers and employees. Health and safety are our top priorities in these swiftly changing times and because we care for our customers we are making temporary changes to our office procedures. Based on the recommendations of both the CDC and State officials, our offices will only be accessible by phone, email or scheduled appointment.

**We are still in our office taking care of our insureds and meeting their needs during this unusual time.**

We will still be able to take payments, make policy changes, and issue new policies by calling our office at 270.282.2411-Bowling Green or 270.754.4881-Central City or scheduling an appointment with one of our team members.

If you would prefer to contact us by email please do so by emailing one of our team members below.
